Cancellation Policy/No Show Policy
For Doctor Appointments and Surgery

1. Cancellation/No Show Policy for Doctor Appointment

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly “full,” appointment book.

If an appointment is not cancelled at least 24 hours in advance you will be charged a fifty dollar (\$50) fee; this will NOT be covered by your insurance company.

2. Cancellation/No Show Policy for Surgery

Due to the large block of time needed for surgery, last minute cancellations can cause problems and added expenses for the office.

If surgery is not cancelled at least 10 days in advance you will be charged a seventy five dollar (\$75) fee; this will not be covered by your insurance company.

3. Account Balances

We will require that patients with self pay balances do pay their account balances to zero (0) prior to receiving further services by our practice.

Patients who have questions about their bills or who would like to discuss a payment plan option may call and ask to speak to a business office representative with whom they can review their account and concerns.

Patients with balances over \$100 must make payment arrangements prior to future appointments being made.
